In each of our 188 guestrooms, including 18 suites and one Presidential Suite, we've created a haven for our guests meant to evoke the neighbourhood's heritage residences. Clever touches, like carefully layered collected sculptural furnishings, complement a soothing palette of moody blues, greens and grays juxtaposed with warmer tones. It all comes together to create a visual narrative that immerses guests in elements of true Toronto.

Relax in our living room among original pieces by local artists. Unwind with a Canadian whisky at our adjacent craft pub. Or borrow a bicycle and hit the streets to discover the many hidden and not-so-hidden treasures this city has to offer. At Saint George, we're all about cultivating a desire for discovery of the authentic Toronto.
